IRCA REGISTERED

AUDITOR/LEAD AUDITOR COURSE ISO 14001:2004 – Environmental Management System

IPS INTRODUCTION:

Integrated Professional Services (IPS) is a transformation partner providing wide range of consulting & training services, professional solutions & offerings aiming at enabling the organizations to meet newest business challenges.

COURSE OVERVIEW:

IPS Pakistan offers an International Register of Certificated Auditors (IRCA) approved ISO 14001:2004 EMS Auditor/Lead Auditor Course (A17484), an intensive and highly-rated 5-days (40 hours) course, in collaboration with Hong Kong Veritas (AO17253), an IRCA-approved training organization. The course comprises of lectures, interactive group and individual workshops, case studies, role play exercises, giving touches of real time scenarios. Continuous Assessment and examination measure the success rate.

TARGET AUDIENCE:

CEO's, Directors, Environment Professionals/Environmentalists, QHSE/EHS/SHE Managers, Potential EMS 3rd-party Auditors, EMS/IMS/HSE Management Representatives, Line/Support function personnel and the personnel who wish to excel in the field of Environmental Management System and/or auditing.

COURSE TUTOR (s):

Approved and renowned tutor(s) with a diversified professional experience and training portfolio of structured training programs.

COURSE OBJECTIVES:

- Describe the purpose of an EMS and explain the principles, processes and techniques used for the assessment and management of environmental risk, including the significance of these for EMS auditors.
- Explain the purpose, content and interrelationship of ISO 14001, ISO 14000 series guidance standards, and the legislative framework relevant to an EMS.
- Undertake the role of an auditor to plan, conduct, report and follow up an audit in accordance with EMS ISO 14001 and by interpreting the requirements of ISO 19011.

METHODOLOGY:

There is a balance between knowledge-based presentation, discussions, exercises and case studies. About two third of the time is spent on activity based learning. A mock examination paper will be discussed throughout the course to help students to be familiar with the style of the examination.

PREREQUISITE:

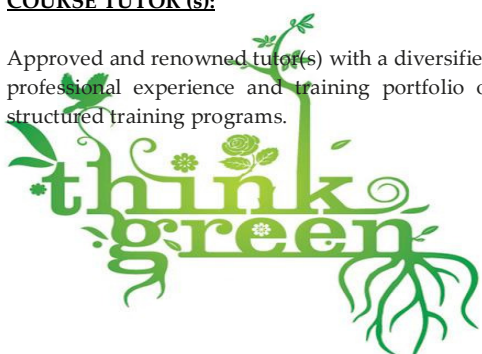

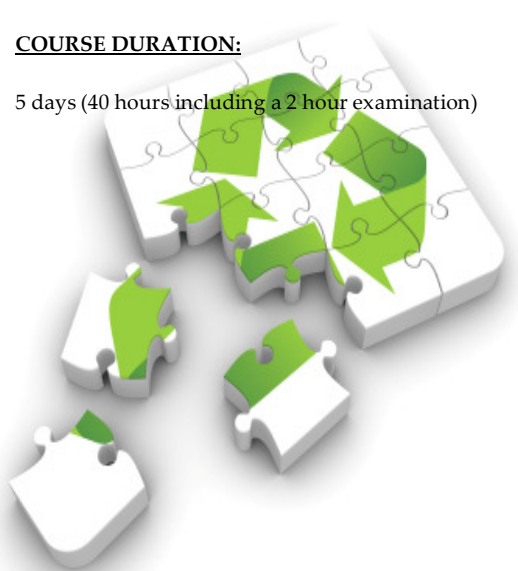

Students are expected to have some background of the Environmental Management System, environmental legislation and ISO 14001 before they start this course.

WHY GO FOR IPS ?

We are a team comprising of highly competent and widely-recognized system tutors, assessors, learning facilitators and technical expertise having an experience of more than 100 years of result-oriented learning and development programs for all levels and roles of organizations, IPS not only facilitates the companies to develop your valuable human resources but also helps the trainees to actually apply the knowledge they have learnt and skills they have developed so that specific training objectives are efficiently met.
